

Your FuturePERFECT is SOUL Original!™ This is a divinely innovative and profound step-by-step program to guide you into the beautiful depth and power of your sacred calling from the inside of the inside out... the seamless unfolding of creating the work you love, while in service to the all. Encode your enterprise with your Original IMPRINT and the grand vision YOU hold for your life and the world. This way your message makes an indelible impression without saying a word!

Here's to your SOULsignature Success! We know the challenges inherent within the journey to walk new pathways that lead humanity to a greater awareness of the purpose we're called to in the world. We know the dedication required to uphold a grand call that feeds our Soul at profound levels of fulfillment – transforming our work into that which we do for its own sake. We must receive the meaning intrinsic to our work for that which we're uniquely destined. For these reasons, we have integrated tools to address these challenges and to make your pathway clear and easier. **Are you ready to take your inner Mystic mainstream?** YES, you can head the call at the center of your heart and be a brand! In fact, either you are allowing your life to engage harmoniously with power – to be lived wide-open as love, or you are settling for less. What it takes is a commitment to invest in your Self-worth: to energize and build your enterprise to open as Love's Art, to support the spontaneous unfolding of your SOULsignature Calling. The reality of your SOULsignature must be found in every detail.

So, for you we've created a dynamic fulfillment program called FuturePERFECT™. It all starts with SOULsignature™ Awareness. Developing your enterprise as an **Original IMPRINT™** not only makes it clear to understand and feel, it becomes a powerful, engaging experience, as you take the voice of your **SOUL Mark™** into the world. You'll also have access to SOULsignature Resources and an inspiring community of **Merger Mavericks™**, dedicated to uniting their visionary voice with the fullness of the present moment. **So, what's on the inside of your Integral Brand?**

VAST-U Track
