

“This is about discovering and deepening our soul truth as it is manifest here in the world... You go to a deeper level of knowing and Janice guides you to bring that forth in images and ideas. This work has already resonated out and assistance in furthering my dharma has come from unexpected places.”

D. Daniels, BMus. ARCT  
International Opera Singer, Voice Teacher

**Does Life Fulfillment matter to you?** You hold the secret key to your SOULsignature Success that you may not be fully realizing. One of the most profoundly important things that you can do in your life is to build your self a strong foundation. Design it so that it will always be there to inspire, empower, and support ALL your endeavors on ALL levels of your life. Such a structure will clearly inform all your enterprising decisions to enable powerful and magnificent outcomes.

**Don't let what you are wanting and doing get in the way of what you may become!** FuturePERFECT™ is about trusting the journey of creating the work you love, while simultaneously, being love at work – the merger of performance and pure potential! This is a journey of refinement - of discovery and design, which has transformed the lives of many people. It has helped them play their most inspiring and integrally conscious life as human beings: tapping into new frontiers within their enterprising spirit and gaining profound insight into their ultimate destiny, and the way that serves all.

**How are you investing your Light and engaging your Life Force?** For your SOULsignature IMPRINT™ to be received by others, first YOU must experience and claim it internally. To have a steadfast hold on your “perfect self-expression”, and the real value you give to the world, it's essential for you to make a deep connection by claiming what sets you apart from all the rest. Not only does this make your daily tasks clearly powerful and meaningful, it illumines your pathway by exploring five levels of Mastery and the Corecepts of Visionary Wisdom.

**Janice Mark, Visionary Director**

**& Founder of FuturePERFECT™** is the Keeper of the SOULsignature Empowerment. She will guide you through the entire process of developing your calling as an integral brand. This assistance assures you that you will develop skillful actions from an internal place of awareness and communication command that is “On Your Mark.” The SOULsignature Approach™ will assist you in claiming the power of your SOUL Mark™ and translate that into a clear Presence Portal and Promotional Plan. Your IMPRINT results will save you time, energy, money and will serve as an endless source of clarity, power, and ease for you.

**Are you ready to unveil the secret ingredient to success that you already possess and may not be fully realizing?** Everyone is inspired for some particular work and the longing to fulfill that is centered in the heart. No matter what you are doing right now, with the right integrated tools you can pick up your Soul Markings. This is an invitation for you to shine brightly in service to all - to receive the direct experience and guidance into your magnificence without paying the big travel expenditures of a spiritual pilgrimage. The **VAST-U Track** is a journey of sacred empowerment that generates a powerful **SOULsignature** to assist you: to hear and head the call at the center of your heart. This signature is translated into a LOGO for your external tools to bring your FuturePERFECT and resources to you with ease.

**Your future's so bright, yaw gotta wear shades!**

**FuturePERFECT™** offers journey approaches for everyone to suit any budget – self-study, tele-experiences, live SOULsignature Intensives, guided tele-courses, and VISIONventure mentor-based training. We'll take you from self-acceptance to perfect self-expression with paramount precision – to fulfill your SOULsignature Success.

**Imagine a way to access your natural abundance and synchronize your enterprise with it.**

Are you willing to receive the power of brand integral technology without paying the high price that an advertising agency would charge for a conventional approach? Consider the possibilities of communicating completely to your ideal clients instantly without saying a word! Connect in such a way that the relationship between you and your customers would simply “UNITE”! There is a way... if you have a system to tap into your core power, align your VISIONventure with it, and develop the right communication tools. The **UNITE™ Track** does that. It's the guided experience of designing your **Original IMPRINT** from the inside of the inside out! There's no more guesswork and external reliance on others to find your clear direction.
